PROGRAM

DIGITAL ADDICTION

DESCRIPTION OF THE WORKSHOP

Presentation of Fundación Escuela de Solidaridad.

Introduction to basic concepts of digital dependency: recognition, definitions, symptoms.

Self-assessment of participants' own use of technology.

Presentation of concepts on recognition of symptoms of people with digital dependence, risks of the digital world to promote a prudent environment, prevention of disorders linked to mental health.

Presentation of a clinical case related to the treatment and accompaniment carried out at FES.

Presentation by staff professionals of the host organisation of their context: needs, limitations, wishes and objectives.

Intercultural dialogues: development of group activity to think about appropriate intervention methodologies in relation to the context previously presented.

Permanent workshop during the afternoons to acquire digital tools, how to edit videos and audiovisual content.
